

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Police Patrol Vehicles

MEETING DATE: May 5, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council rescind Resolution #93-48, adopt the attached resolution to purchase three police patrol sedans from Downtown Ford of Sacramento, California, who was awarded the contract from the State of California, Office of Procurement, and ratify this purchase, in the amount of \$50,020.28, to meet the purchasing deadline.

BACKGROUND INFORMATION: Three police patrol sedans were included in the 1992/93 fiscal year budget. The patrol vehicle we now use is the Ford Crown Victoria four-door sedan, CHP Special Service Vehicle. On April 21, 1993, the Council approved, per Resolution #93-48, the purchase of the police patrol sedans from Geweke Ford of Lodi, California.

Ford Motor Company moved up the purchasing cutoff date, originally set as April 28, 1993; therefore, dealers other than the State contract are now unable to obtain these units. Geweke Ford has made numerous attempts to confirm a build date for the City of Lodi's three police patrol sedans, but have been unable to do so. Per the attached letter from Geweke Ford, they have advised the City to look at other avenues for the purchase of our police cars.

In checking with Downtown Ford of Sacramento, orders for the 1993 Ford Crown Victoria police sedans are still being accepted on the State contract until Friday, April 30, 1993.

This deadline for purchasing the cars from Downtown Ford is prior to the next City Council Meeting. If not ordered now, the City might not be able to purchase the three sedans we require until March or April of 1994. This is too late to meet our replacement needs. As a precaution, a purchase order has been issued to Downtown Ford for the three vehicles to "hold our place in line", subject to ratification by the Council.

RE: City of Lodi Police Cars

Gentlemen:

Thank you for your patience in this matter.
